

CHS Sports Boosters, Inc | 14745 Sabillasville Road | Thurmont, Maryland 21788

CHS Sports Boosters, Inc. is an organization formed to support the numerous athletic programs and athletes at Catoctin High School. We instill a sense of hard work, determination and pride in what it means to be a "Cougar." The Boosters are the main source of funding for each sport to purchase necessary items including, but not limited to, uniforms, equipment, software and film subscriptions, and to help them in any way with additional expenses. We also show our support by providing two scholarships each year for deserving senior athletes.

Highlights of our Cougar athletes from the 2025-2026 athletic seasons include senior Olivia Baker winning the Class 1A state title in the 800m and receiving the prestigious MPSSA Minds in Motion Scholarship, junior Ashton Thompson finishing 3rd at states for wrestling and celebrated his 100th pin, freshman Kaila Jones winning the Clas 1A state title in shot put, and freshman Callen Edmonston received the best score in the entire state during regional qualifying for golf.

Also, for the 2025-2026 athletic seasons the following items are a few of some of the larger purchases we were able to help our athletic programs make:

- New wrestling mats (\$12,000).
- Unified program canopy (\$2,000).
- Uniforms for swimming, boys lacrosse, girls lacrosse and tennis (approximately \$20,000).

Each year, the cost of sports equipment, filming subscriptions and clothing continues to rise. For example, a one-year subscription for HUDL, recording software used by many of our coaches to record film for player viewing, sharing and college recruiting, costs approximately \$1,500 per season. The cost to purchase a dozen baseballs is \$110. Football helmets must be reconditioned after every season with a cost of around \$8,000. Each athletic program fundraises throughout the year to try and offset the cost of making purchases like these, but it becomes more difficult every year.

Attached you will find a Sponsorship Form detailing the monetary levels of support and the perks you and/or your business will receive for being so generous to our athletic programs. The money that we receive will be used by all athletic programs to purchase any items necessary.

We are hopeful that you will be able to find some room within your budget to show support to our CHS athletes in the form of sponsorship to CHS Sports Boosters, Inc. Every penny that we receive goes directly to supporting our programs and athletes. Without the support from our community, our athletic programs would not have the necessary items needed to practice and play the sports they love.

Thank you in advance for all your support to our athletes who are representing our community! Go Cougars!
